

Power Foundation of India

B-28, Qutub Institutional Area, New Delhi 110016

No. PFI/HR/Recruitment/2025/04

Dated, 17 March, 2025

Engagement of Staff Consultant in the Research Division of PFI

1.0 Introduction:

Power Foundation of India is a think-tank and a policy advocacy body in the Power Sector. It is a society under the aegis of Ministry of Power, Government of India. It is supported by twelve leading Power Sector organisations.

The Foundation undertakes independent, evidence-based research on issues and challenges pertaining to the Power Sector. The research studies encompass diverse aspects related to generation, transmission, and distribution of power, electricity trading, energy transition, and environmental sustainability.

1.1 Power Foundation of India has felt the need for engaging Senior Analyst (Energy Transition and Climate Finance) in the Research Division under Research vertical in accordance with the PFI (Appointment of Consultants- Process) policies, as amended to time. The staff consultants proposed to be engaged by PFI would assist and augment the work of regulatory vertical of Research Division of the Foundation in discharge of its multifarious functions.

2.0 Scope of work for the Staff Consultant:

2.1 Job Description / Job Responsibility

- a. Undertake evidence-based research in power sector and all other areas linked to power sector, particularly Energy Transition, Climate Finance and Sustainability.
- b. Analyse national and international energy and climate policy frameworks, climate finance mechanisms, risk management, and Regulatory structures that influence clean energy deployment and decarbonization.
- c. Track, evaluate and assess government Policies, Schemes and Initiatives impacting the power sector and climate, identifying their effectiveness and areas for improvement.
- d. Monitor global and national trends, emerging innovative technologies, business models, and climate commitments, and assess their implications for India's energy transition.
- e. Perform quantitative and qualitative analysis of sectoral developments, including financial instruments, carbon markets, and investment opportunities.
- f. Track and assess action plans of various countries to achieve their respective NDC targets.
- g. Develop research reports, policy briefs, and white papers, providing data-driven insights and strategic recommendations.
- h. Engage with key stakeholders, including policymakers, regulators, industry experts, financial institutions, and international organizations, to track sector developments.
- i. Present research findings and recommendations to internal teams, policymakers and industry stakeholders.
- j. Assist senior management in executing strategic tasks and supporting high-impact initiatives related to clean energy and sustainable finance.
- k. Ensure the timely delivery of high-quality research outputs while meeting deadlines.

2.2 Desired Profile of the Candidates

- a. Prior experience in power sector think-tanks or research organizations.
- b. Strong understanding of India's energy sector, particularly power sector with respect to energy transition and climate finance.
- c. Familiarity with global climate finance mechanisms (such as GCF, CDM, carbon markets, and blended finance instruments) is desirable.
- d. Deep interest in climate issues, climate policy, and fiscal policy issues relating to climate mitigation and adaptation.
- e. Strong analytical skills, with experience in financial risk assessment and market assessment.

2.3 Required Skills and Personal Characteristics for the Role

- a. Strong research, analytical and problem-solving skills.
- b. Excellent communication (written & verbal in English language) and presentation skills.
- c. Excellent report & paper writing skills
- d. Excellent analytical and problem-solving skills
- e. Excellent project management skills
- f. Ability to synthesize complex information and communicate it effectively.
- g. Willingness to engage in new research areas.
- h. Self-driven, detail-oriented, and capable of working in a fast-paced and constantly evolving environment.
- i. Collaborative mindset with the ability to engage effectively with stakeholders from diverse sectors.
- j. Networking abilities
- k. Proficiency in MS-Office is a must, particularly in Excel and Power Point.
