

Power Foundation Of India

Power Foundation of India invites applications for a two-month internship in its Communications Department. This opportunity is ideal for individuals passionate about communication, creative storytelling, and impactful public engagement. This internship offers hands-on experience in communication strategy, digital content creation, and outreach initiatives that support the organisation's objectives.

Eligibility Criteria and Required Skills:

- Currently pursuing or recently completed Master's degree/Diploma in Mass Communication, journalism, or a related field.
- Strong skills in research, writing, and analytical thinking.
- Proficiency in design tools such as Canva, Adobe Creative Suite, or similar platforms.
- Familiarity with social media content development, campaign planning, digital advertising, and analytics

Duration: 2 months

Location: In-Office
